Taking Live Polls

From your phone

1. Access the Sessions List. After logging in, tap the Schedule icon.

2. Find your Poll. Find your chosen session by either scrolling through the schedule or using the filters at the top of the screen. You can also find Live Polls, in the “Live Polls” functionality on the home screen or the navigation bar on the left.

After selecting your session, tap the name of the poll in the Live Polls section.

From the Web App

1. Access your Event. After logging in, click Schedule from the side navigation bar.

2. Find your Poll. Find your chosen session by either scrolling through the schedule or using the filters at the top of the screen. You can also find Live Polls, in the “Live Polls” functionality in the navigation bar on the left.

After selecting your session, click the name of the poll in the Live Polls section.
